Scarlett/ Ella M/ Charlie/ Mici/Mia/ George

Amber  
Good Evening Lords, ladies, Shakespeare's Kids ...and pirates I suppose.

Orlaith  
We're back. Did you miss us?

Ella S  
Yip ! After 3 long years are you ready for another adventure with us here at Shakespeare's Kids?

Cayden  
And we mean ADVENTURE.

Georgia  
Oh, I've always dreamed of having an adventure.

Brooke  
The Revenge of Emmy Tot takes place many many years ago.  
In a quiet little Scottish town.

Ella  
Thats right Thomas, the quiet seaside town of Irvine, in Ayrshire  
That was rocked by what we are about to tell you.

Scarlett  
Brace yourselves ..as we take you an adventure you will never forget.

Amelie  
A little piece of Scottish History they don't teach us in school.

Scarlett  
And I wonder why?

Emily  
This the story about a fierce Scottish girl who stood up for her rights and those of other Scottish girls, And changed her destiny.

Amelie  
Emmeline Tottingham but to my friends Emmy.

Ella M  
A girl who started out as my enemy and became my closest friend.

Olivia S  
Our adventure begin's in the grand ballroom of Eglinton Castle, home of The Countess of Eglinton, the most beautiful lady in all of Scotland .

Emily M  
That would be me of course.

Cayden  
And her husband the Earl of Eglinton ..who was also *rather* handsome.

Ella S  
May we continue ??

Emily  
Oh ..The grand ballroom of Eglinton Castle.

Amber  
The home of my mother, which makes me a lady.

Orlaith  
Me too Amber.

Amber  
Lady Amber, I like that.

Orlaith  
Lady Orlaith? Ok, but do I get sword?

Grace

A sword? Is there swords in this one? YES !!

Ella S

We'll get to that part soon ladies haha ...now back to your mother ..she was a strange one ...

Grace

Very strange.

Brooke

It was rumoured the Countess had drank from the *Fountain of Youth*.  
Because she hadn't aged in over 20 years.

Scarlett

..not one day and in fact looked no older than her daughters. Very peculiar.

Ella

Bet you mums would love that.

Cayden

For sure.

Now on this particular day, the countess and her husband where growing very concerned as they looked down from the castle to the harbour below.

Ella S

Where the Dutch Pirate ship The Amsterdam had sailed into Scotland very unexpectedly.

Emily

With the notorious Captain Jan Van Der Goot onboard.

Charlie

That'll be me. Captain Jon Van Der Goot , the deadliest pirate to ever set foot on your Scottish shores.

Ella

A day no one in that castle would EVER forget.

You sure your ready for this.

Well lets get started ...

Ella S

Now, the Earl and the Countess had a serious problem that day.

Brooke

And if they did invite him? What then?

Grace

Tiny waists are what a man wants. At least thats what mother says.

Amelie

Olivia

There *has* to be more to life than dressing up and looking pretty.

Girls

*Really?*

Olivia

But marrying a *pirate*?

Amelie

Why can't a woman mast a ship or Captain a crew. I know I could.

Shanni

And at least we'd do it in style ..right girls.
